

Meet Mike Kendall—long-time parishioner, retired loan officer, husband, father, and grandfather. Mike oversees our parish counters—a vital behind the scenes ministry. Mike grew up in West Allis, the oldest of six children. He attended Catholic grade school. After high school, he served in the military and then worked in banking for 37 years. With their son, daughter and grandchildren living close, Mike and his wife, Ann, relish their family time. He is happily retired and enjoys golfing and puttering around the house.

Mike has been active in parish life serving on the stewardship committee and the finance committee, He was a natural to join the counters with his banking background. He finds the time volunteering in this capacity enjoyable-- working alongside fellow parishioners and providing a valuable service to our parish. Thanks, Mike, for your time, effort, and expertise in supporting St. Boniface!

Mike says you do not need a banking or accounting background to join the counters --just feel comfortable handling money. Perhaps this is a good opportunity for you!! The counters meet once a week for about two hours to count the collection and complete paperwork. Since the team works on a rotating basis, it is easy to fit into your schedule. Call Carolyn at the parish office (262) 628-2040 if you are interested in joining the team that counts!
